I chose the _____ department for my exam logo design.

I decided to work with the _____ department because

I focused on _____ as my element of design. I incorporated this element by _____

I focused on _____ as my principle of design. It enhances my overall composition because _____

Preparation for Critique

1. Identify one element of design that you incorporated into your logo design and explain how you used it...

2. Identify one principle of design you incorporated into the layout of your overall logo design and explain how it works for your overall composition.

3. Explain why you chose the images, font and symbols for your logo and why you felt they incorporated well into your final design.
